Message from the Board

We make a difference together. The Benton Community Foundation (BCF) is proud of our success in partnering with committed donors and community members who seek to transform the lives of those in need in our community. As Board Chair I want to thank you for making this past year one of our most successful in the history of BCF. We truly live in a generous community.

Because of what you, our donors, have given, BCF has provided more grants and scholarships to area non-profits and individuals than ever before. Put simply, you are creating opportunities and improving lives. On behalf of the Board of Directors, we deeply appreciate your involvement and impact.

This year the Foundation Board, along with our CEO and staff, have continued to focus our strategic plan to significantly advance our communities’ culture of philanthropy. This included highlighting community philanthropy by launching an annual Philanthropic Achievement Awards event. I am especially proud of the work of the committed volunteers that make up our Board of Directors and our many committees. Their drive, enthusiasm, and determination to elevate and maximize the impact of the Foundation is truly inspiring.

The Benton Community Foundation is your community foundation. From a small investment more than 65 years ago, the Foundation has grown to over $24 million today, and with your help, we will continue growing, making a better Benton County together forever.

Ilene Kleinsorge  
Chair of the Board of Directors, 2019
2019 Philanthropic Achievement Awards
Honoring those who give back

Honing National Philanthropy Day
BCF’s Philanthropic Achievement Awards brings together nonprofit leaders, business leaders, and community members to recognize outstanding achievements in philanthropy in Benton County. The luncheon showcases the hard work of our talented, generous community, and celebrates the people and organizations that volunteer, donate, and inspire others to create a bright future for families and children.

November 15th was designated as National Philanthropy Day in 1986, and since then, charitable organizations across the United States and throughout the world have used the day to honor their neighbors’ investment of time, talent, and financial resources.

Recipients
Outstanding Emerging Philanthropist
Raider Royalty Students at Crescent Valley High School
Outstanding Philanthropic Business
Samaritan Health Services
Outstanding Volunteer Fundraiser
Ken Johnson
Ann Smart
Outstanding Fundraising Professional
Kate Caldwell
Old Mill Center for Children & Families

Outstanding Volunteer Group
Corvallis Sustainability Coalition
Benton County Museum Team Leaders
Outstanding Innovative Project or Program
Benton Habitat for Humanity Home Repair Initiative
BCF Board of Directors’ Award for Outstanding Philanthropic Achievement
Clifford and Jo Anne Trow

Ilene Kleinsorge
Starker Forests, Inc.

Thank you
We are grateful to the many individuals and community groups who made the 2019 event a success. Special thanks to Lt. Paul Hill and the Oregon State Naval ROTC, and Leah Tomlin and Spartacapella!

The 2020 Philanthropic Achievement Awards will honor the same 7 categories of volunteerism and generosity, with a luncheon on November 13, 2020, at CH2M Hill Alumni Center. Visit www.BCFgives.org/awards for details about nominations, tickets, and sponsorship opportunities.

Raider Royalty students at CVHS received the 2019 Outstanding Emerging Philanthropist award, nominated by Hannah Miller of Jackson Street Youth Services
2019 Scholarships

In 2019, the Benton Community Foundation awarded more than $258,000 in scholarships to recent graduates from Alsea High School, Corvallis High School, Crescent Valley High School, Monroe High School, Philomath High School, and Santiam Christian High School, as well as to current students at Oregon State University.

These students are planning to study nursing, biology, business, environmental science, criminal justice, mechanical engineering, forestry, pharmacy, dental hygiene, education, anthropology, graphic design, music, and more.

Scholarship funds at the Benton Community Foundation can be designated for students from a specific high school, for students entering a certain field, or other criteria you choose. Contact the Foundation at 541-753-1603 to learn more about setting up a fund.

Building Healthier Communities

“One-hundred percent I’m going back,” Anabel says about her plans after graduation. Anabel recently received the Benton Community Foundation’s Margaret Dowell-Gravatt, M.D. Scholarship, awarded each year to a minority woman studying physical sciences at Oregon State University. Anabel came to campus from Medford, Oregon, and looks forward to returning to serve her hometown.

“I am indebted to that community,” she said. “My goal is to be a primary care physician. There’s a clinic back home called La Clinica, primarily for low-income families, minorities—marginalized populations where I came from and who raised me. I want to give back to them.”

She plans to use her degree in bio-health sciences to improve health outcomes for low-income families, specifically by increasing access to practitioners, so that kids can stay healthy and stay focused in school. “In high school, I worked with an after-school program at an elementary school. A lot of these kids hadn’t gone to see a doctor in years, and you could tell they were lacking some of that physical attention that a doctor would catch early on in a check-up.”

Even with a full course load, Anabel has already found ways of giving back, on campus and beyond. She’s volunteered with multiple local nonprofit agencies and medical centers, and currently works at OSU Community Engagement & Leadership, where she coordinates service projects for OSU students at local nonprofits. “We provide professional skills and leadership development for OSU students, but it’s also about going into the community and feeling like they’re a part of Benton County,” she said. “It’s really rewarding. These community partners, a lot of their staff are volunteers, and they’re giving their time to these organizations, and they’re so passionate and dedicated that I leave work every day and think, that’s an excellent person and this community is lucky to have them. That’s how I want people to see me.”
2019 Grants

The Benton Community Foundation provided more than $850,000 in funding in 2019. Here’s where that funding came from:

- Designated Funds
- Scholarship Funds
- Community Funds
- Donor Advised Funds
- Initiatives
- Agency Funds

Agency Endowments

These funds are established by nonprofit agencies in order to create a sustainable funding resource for perpetuity. Each year, BCF makes a grant from the endowment back to the nonprofit.

Corvallis Community Band

The Corvallis Community Band established an agency endowment at BCF in 2016, to pay for expenses like venue rentals, equipment costs, and a small stipend for staff. In 2019, they received two generous matching donations, and with the help of music-lovers across the valley, grew their endowment for the future.

Cornerstone Associates

Cornerstone Associates, Inc. established an endowment with BCF in 2006 to support associate job training, future capital projects, and other needs. Grants from the fund support programs like the supported employment program, where individuals with disabilities are employed at local participating businesses. Mike (pictured right) works at Courtyard by Marriott Corvallis with guidance from his Cornerstone job coach, Dan (pictured left).

“I love that we’re able to give back,” said Jennifer Pearce, an HR specialist at the hotel. “I love the programs. I love working with them.”

Courtyard by Marriott employs two associates from Cornerstone, and is one of more than thirty local businesses that partners with the agency. Businesses can get involved by providing employment opportunities, helping associates practice interviews, or offering job shadowing.
Donor Advised Funds

Donor Advised Funds give donors more flexibility in reaching their philanthropic goals. Donors recommend grants, and the Foundation handles the rest. BCF even compiles summaries of its community grant requests to pass along to our fundholders, so donors know what current projects are in need of funding.

In 2019, BCF disbursed twenty-three donor-advised grants, totaling more than $75,000.

NEW IN 2019: Fred & Mary Brauti Donor Advised Fund

Mary and Fred Brauti moved to Corvallis in 1966, and since then their dedication to the community has been strong. “Fred really wanted to be able to give back to the community,” Mary said. “He was very thoughtful about that and really felt that was necessary. He wanted to give, and so do I.”

Mary and Fred opened their first fund at the Benton Community Foundation in 2008, establishing a Designated Fund that provides annual financial support to the local Girl Scouts, Boy Scouts, 4-H, Boys & Girls Club of Corvallis, and the Old Mill Center for Children and Families.

After Fred passed away last year, Mary opened another fund at BCF to carry on their charitable work. With a Donor Advised Fund, Mary chooses which nonprofits she wants to support, and BCF reviews and approves the grant, then disburses the funds.

“I felt like Santa Claus,” Mary said about advising grants, “because I choose where the gifts go. It’s wonderful.”

Mary and Fred opened their first fund at the Benton Community Foundation in 2008, establishing a Designated Fund that provides annual financial support to the local Girl Scouts, Boy Scouts, 4-H, Boys & Girls Club of Corvallis, and the Old Mill Center for Children and Families.

After Fred passed away last year, Mary opened another fund at BCF to carry on their charitable work. With a Donor Advised Fund, Mary chooses which nonprofits she wants to support, and BCF reviews and approves the grant, then disburses the funds.

“I felt like Santa Claus,” Mary said about advising grants, “because I choose where the gifts go. It’s wonderful.”

The fund’s grants so far have included gifts to the Corvallis Community Band as well as to Meals on Wheels, a program Mary knows especially well; she’s been volunteering there for more than twenty-five years.

NEW IN 2019: Allen & Jean Peters Community Grant Fund

This endowment will support the basic needs and education of local children, youth, and families.

Community Funds

Community Grants are the result of BCF’s annual competitive grants process. Local nonprofit and charitable organizations apply for grants up to $10,000, and recipients are determined by the BCF Board of Directors. In 2019, these endowed funds disbursed more than $89,000.

Designated Funds

Designated Funds are endowments established by community members to support one or more specific charitable organization. BCF disburses a grant each year, and the funds continue providing grants in perpetuity. In 2019, these funds disbursed $337,443 to local organizations.

Many Types of Support

The multiple kinds of funds at BCF often come together to create layers of funding for local nonprofits. In 2019, the Old Mill Center for Children and Families received a Community Fund grant for their Monroe relief nursery, as well as grants from three BCF Donor Advised Funds, and operating funds from five BCF Designated Funds. This variety of support creates a balance between sustained year-over-year funding and flexible grantmaking for emerging needs.

* In 2018, BCF made a unique grant of $734,000 to the Philomath School District for renovation of the Clemens Community Pool. For that reason, the Foundation’s grantmaking expenses in 2018 were higher than normal. The amount of grants disbursed in 2019 was significantly lower by comparison, but the 2019 figure reflects the more consistent grantmaking capability of the Foundation.

**The 2018 grant for the pool was returned to the Foundation while the renovation project continues to evolve. The return of the grant is represented in the 2019 income on investments. The Foundation remains a committed funder to the Philomath community and looks forward to continuing its support of their long-term needs.**
Investment Management at BCF

In 2019, the Benton Community Foundation underwent a thorough review of its investment management services to ensure the Foundation was providing excellent stewardship of its invested funds. BCF solicited proposals from local, regional, and national investment management firms, and brought together financial experts from across the community to evaluate the firms’ services.

After a careful review of several options, the BCF Board of Directors is proud to announce the Foundation has transferred its assets to Corvallis-based firm Schupp/Plemmons/Cook Wealth Management Group of Wells Fargo Advisors. This new partnership will position the Foundation for continued professional stewardship of its invested funds, and will assist and complement BCF’s commitment to provide excellent service to its donors and the community.

Our Investment Policy

BCF’s investment policy is built on the precepts of diversification, a long-term strategic focus, and prudent risk management. The Finance Committee—comprised of local, experienced investment professionals—assists the Board of Directors in establishing the guidelines, setting the asset allocation, and monitoring the results. We strive to balance the needs of today with growth for tomorrow.

Diversified Asset Allocation

A prudently diversified portfolio and a structured, disciplined process are keys to generating the greatest return while minimizing the risk of loss during ever-changing market conditions. Our portfolio is well-diversified between asset class and size, geographic location, and among complementary management styles.

Excellent Investment Management

BCF’s assets are entrusted to best-in-class asset managers selected for their expertise in specific areas of the market.

Making a difference with Community Initiatives

The Lagestee Family

Rural Support Initiative

In 2009, the Lagestee family established three endowed funds at BCF for the purpose of supporting children and families in Philomath, Blodgett, Alsea, Summit, and throughout rural Benton County. Since then, the family’s endowments have funded scholarships, health services, and basic needs like food, shelter, and clothing. This initiative uses a combination of flexible grantmaking and consistent, endowed support.

How it works:

- **Harry & Lorraine Lagestee Community Endowment** provides annual support to Strengthening Rural Families as well as additional grants to rural nonprofits as part of BCF’s annual Community Grant cycle.
- **Harry & Lorraine Lagestee Designated Endowment** provides annual support to five specific charities in Blodgett, Philomath, Eddyville, and Summit.
- **Harry & Lorraine Lagestee Scholarship Endowment** supports students graduating from Philomath High School who are studying at Oregon State University or Linn-Benton Community College.

Since 2015, this initiative has provided more than $340,000 in grants and scholarships to students, children, and families in rural Benton County.

BCF Community Initiative

Homeless to Housing Initiative

BCF launched the Homeless to Housing Community Initiative in 2017 by creating a dedicated fund to support services around the area of homelessness, while also working with donors to create a broad range of complementary funds to support the mission of providing for the basic needs of children and families.

Since then, four complementary funds have been opened, and more than $500,000 has been raised in the effort.

Sam L. & Margaret Millsap and Bernard M. Guthrie Youth Career Exploration Initiative

The Bernard M. Guthrie Endowed Fund and Sam L. & Margaret Millsap Endowed Fund were established in the 1980s to support Benton County youth seeking career training opportunities. Since 2015, these funds have provided more than $144,000 to the Boys & Girls Club of Corvallis for T3: Training Teens for Tomorrow. This program teaches job skills like interviewing and writing resumes, helps teens get work licenses and permits, and connects them with paid apprenticeships and relevant summer jobs.

What Change Do You Want to Make?

Contact BCF to learn how our philanthropic toolkit can be put to work to accomplish your charitable goals. Let’s discuss what change you want to make and what options are available to get there. Families from decades past are still improving lives for our neighbors, and your family can make a difference too. Give us a call at 541-753-1603.
Message From the 
President/CEO

Dear friends,

Thank you for giving back in 2019! The accomplishments we achieved together for our community were remarkable. We distributed more than $840,000 to 80 non-profits, honored local philanthropists for their achievements, and expanded BCF’s grantmaking capabilities. We achieved these milestones because you believe in giving back and building stronger communities.

In November, we showcased a few of our generous community members by hosting the first annual Philanthropic Achievement Awards, where guests were inspired by their neighbors and reminded that now is the time to start changing the future. Individuals, volunteer groups, businesses and nonprofits were celebrated for their commitments to art and culture, science and the environment, basic needs, education, and more.

At BCF, we are proud to help philanthropists support the causes they care about. Foundation grants are changing children’s futures by preparing them for kindergarten, instilling in them the joy of reading, and teaching them about nutritious food. BCF funding also helps connect unsheltered families to transitional housing and childcare resources. Finally, BCF scholarships lower the financial burden for college students, helping them pay for classes and books. This kind of funding changes lives and strengthens communities.

Thank you for joining us in our mission to create a brighter future for children and families. When you give back, you are making a big difference for your neighbors and an important investment for the future, and we can’t wait to work with you in 2020.

With sincere thanks,

Chris Quaka
President/CEO

Mission
To enhance our community through philanthropy.

Vision
We envision a future where we further the aspirations of children, youth, and families; invest in resilient and healthy communities; and protect cherished resources for future generations.

Values
We value integrity, respect, innovation, excellent stewardship, collaboration, and equity in our grantmaking. Most of all, we honor the trust placed in us by respecting our donors’ wishes.
